

2018 BEAVERCREEK BAPTIST CHURCH GOLF LEAGUE

February 19, 2018

Dear Fellow Duffers:

It's that time of year when one's fancy turns to golf (at least for some of us) and the Beaver Creek Baptist Church Golf League. The league will be played at Locust Hills Golf Course (south of Springfield in Pitchin) this year on Thursdays at 4:45 p.m. beginning April 26th and running through August 30th. Cost will be two installments of \$93.00 per player (first installment paid on the second night of league, second installment paid on week 10) or a one-time payment of \$175.00 if paid by May 3rd (saves \$10.00). Please note that then prices are the same as last year. On the second week of league, we will be collecting \$20 per player for end-of-the-year league trophies and prizes. We will have an 18-week season with a rotating schedule of matches between teams and an end-of-the-year scramble tournament and awards banquet on Saturday, September 22, 2018, starting at 8:30 AM.

To assure yourself a place among the 24-regular golfers, sign up immediately on the bulletin board outside the sanctuary (sign-up ends April 22nd) or send an email with your name and email address to michael.gargas@yahoo.com. Because of our expectation of more golfers this year, the first 24 to sign up will be given priority for the regular team positions with preference given to BBC members and returning teams. Others will be used as substitutes.

Teams will again be determined by handicap with a lower handicap player paired with a higher handicap player, if possible. Some exceptions will be made where a husband and wife or two friends (could also be a husband and wife) wish to be paired together. If you do not have an established handicap from last year, you will need to play 9 holes at Locust Hills sometime before April 26th and provide your scorecard to a league officer (preferably Mike Gargas) to establish your initial handicap for league play.

It should be a fun-filled season of fellowship, sharing and witnessing.

Let's Tee'Em Up,

Your BBC League Officers
(Mike Gargas, Diane Steele, John Jones, and Pastor John)
